

Just What Is Christian Science?

A free talk by Christian Science practitioner and teacher, **Marceil DeLacy, C.S.B.**

Thursday, June 24 at 7pm

At For Goodness Sake in Downtown Truckee Sponsored by the Christian Science Society of Truckee

- * Learn about the kind of prayer that restores health and gives a higher purpose and meaning to every aspect of life.
- * Hear examples of lives healed and transformed by understanding the timeless practicality of the words and works of Christ Jesus.

Raised by Christian Science parents, Marceil DeLacy's lifelong guides have been the Bible and Science and Health with Key to the Scriptures by Mary Baker Eddy. These books have nurtured in her a strong commitment to helping others. This has led to worldwide opportunities for volunteer work and to a career as a practitioner and teacher of Christian Science.

Marceil is a dynamic speaker who has given numerous talks in a variety of venues. As a member of the Christian Science Board of Lectureship, she travels from her home base in Seattle, Washington.

The laws of God that made biblical healing possible are still operative and available to anyone. Learning how to rely on these laws is life-changing.
